cided to cut loose from Gov. Glynn.
Mack has been a strong, regular Demsocrat always. He has been a Bryan supporter, in the organization and out. He'ts widely and favorably known throughout the State. Mack is anti-Tammany. Senator O'Gorman, whose colleague he aspires to be, is a Tammany man. Mack might be looked upon as an insurgent to break toward the administration some of O'Gorman's strength.

Dissily contemplating the possibilities in the New York political situation, observers yesterday were busy digesting the announcement that Norman E Mack, of Buffalo, Democratic national committeeman, is about to announce his candidacy for the Senatorial toga now worn by Elihu Root

The possibility of a Hearst-Glynn-Tammany combination against the anti-Tammany combination against the anti-Tammany and pro-administration forces in New York, loomed large in the minds of many. Here is how they size the situation up:

Mr. Mack and Gov. Glynn cannot run on the same ticket in the primaries, both being catholics and both being up-State men. Glynn has announced that he will from the gubernatorial nomination of the same ticket in the primaries, both being catholics and both being up-State men. Glynn has announced that he will from the gubernatorial nomination of the same ticket in the primaries, both being Catholics and both being up-State men. drawn his name from consideration as candidate for the Federal Reserve Board was the cause of great disappointment in the Street yesterday. Mr. Warburg was regarded as the most fortunate of the President's selections for this silimportant board. Commenting on this. one expert said

"Mr. Warburg is easily the best qualified man that could be appointed on the board. He is prepared to resign from the firm of Kuhn, Loeb & Co., thereby the firm of Kuhn, Loeb & Co., thereby giving up an enormous income, to accept a salary of \$12,000 a year because he believes he can be of service to the country George of the George of the George of the George of the Columbia Gas & Electric 5s.
